JAILBREAK

As with "Glass Inferno," a softcover sale is still in the offing for "The 10-Second Jailbreak," although the movie rights have been secured by Columbia. Holt, Rinehart and Winston has not yet put the nonfiction account of Joel David Kaplan's escape by helicopter from a Mexican prison—and the story behind it—on the reprint block.

Cyrilly Abels is literary agent for the book, of triple authorship: Eliot Asinof, Warren Hinckle and William Turner. Marcia Nasatir of Ziegler*Ross on the Coast conducted negotiations with the studio.
